Integrated Lawn and Tree Care Earns Coveted Angie's List Super Service Award

Award reflects businesses' consistently high level of customer service

Integrated Lawn and Tree Care has been awarded the prestigious 2011 Angie's List Super Service Award, an honor bestowed annually on approximately 5 percent of all the businesses rated on the nation's leading provider of [consumer reviews](#) on local service and health providers.

"I'm extremely proud of our entire team for consistently putting the needs of our customers first and for continuing to promote the core values of Integrated Lawn and Tree Care. In our constant pursuit of excellence, it's nice to have so many of our customers report their experiences with our company on Angie's List." remarked Tim Schnabel, President of Integrated Lawn Care.

"Only a fraction of the businesses rated on Angie's List can claim the sterling service record of being a Super Service Award winner because we set a high bar," said Angie's List Founder Angie Hicks. "The fact that Integrated Lawn and Tree Care can claim Super Service Award status speaks volumes about its dedication to consumers."

Angie's List Super Service Award winners have met strict eligibility requirements including earning a minimum number of reports, an exemplary rating from their clients and abiding by Angie's List operational guidelines.
